PERSONAL SUMMARY

I'm Niyas pk MobileUI/Web Designer and Graphics designer 5 Years Experience . I am able to work effectively in a team or on my Own. I have demonstrated an ability to lead small Teams and mentor other workers. I pride myself on being able to use my knowledge and initiative to deliver high quality results to tight deadlines. I enjoy a challenge and look for the opportunity to expand and develop my skill set.

A good team player who thrives on creating engaging creative solutions, is deadline orientated and has the ability to producedetailed technical specifications from client requirements. I see what I do as a combination of all these things and ultimately don't think it really matters which label you like to use. What does matter is the output of my work, which is always focused at the point where user.
